New Chess Boards for Harold Kelley Plaza

Soon there will be chess boards in Harold Kelley Plaza. The Hollywood Neighborhood Association was able to secure funds from the city sponsored 2008 Neighborhood Association Project Funds. Chess boards will be retrofitted on top of both of the existing outdoor tables currently installed in the plaza. The goal is to draw more of our community together to participate in a fun and educational activity.

We hope to have the boards installed sometime in August, however, at this time we do not have a definite installation date available.

HNA Elections

Per the HNA bylaws, the positions up for election (even years) are Chairperson, Second Alternate, and Treasurer.

These positions are open to residents of the Hollywood District. Voting will take place at the HNA General Meeting, July 24.

Providence Construction at the Halsey (Davis) Business Center

The old Halsey (Davis) Business Center will begin the first stages of demolition in mid-July, to prepare for Providence's construction of a new office building on the site.

This information courtesy of a Providence Press Release:

- First, fencing will go up around the property, extending from 43rd and Halsey to 44th and around the old parking lot behind the Halsey property.

- Next, the sidewalk on the south side of Halsey between 43rd and 44th - directly in front of the old Halsey building - will be closed. This means that people walking along Halsey in that area will need to cross to the north side of the street.

- A temporary crosswalk will be in place, and flaggers will also be on site to help people cross there during peak traffic times (6 a.m. - 10 a.m. and 3 p.m. - 7 p.m.).

- Construction is allowed on the site between the hours of 7 a.m. and 6 p.m., Monday through Saturday. Outside those hours, work is only permissible on an emergency basis or with a noise variance permit.
