## Earthquakes, Volcanos, Bombings

*(Hollywood Emergency Team Requesting Supplies)*

We all want to be prepared if a natural (or unnatural) disaster strikes nearby.

You can help our community be prepared: assist in stocking our own neighborhood emergency supplies. These are kept in a secure, disaster-resistant storage area in the Hollywood neighborhood. Donations are tax deductible!

Read more at the HNA Blog, or contact Ian Timm at [istimm@pacifier.com](mailto:istimm@pacifier.com) or 503-288-9822.

~~~~~  
*Have you set aside emergency supplies at your residence?*

## HNA T-Shirts !

Show your passion for the Hollywood! You can help HNA's fundraising efforts by purchasing one of these shirts (\$15). Shirts will be on available at the Senior Center and at the General Meeting.

## Most Colorful Building in the Hollywood

*(Why Change What is Already Working?)*

TacoTime took over the Taco Bell spot on Sandy Blvd and is now open. Ironically, the bright & colorful new paint job coincides with the deconstruction of Hollywood's previous most colorful building, the iconic Pagoda restaurant, with its bright orange tile now removed and becoming a KeyBank branch.

## Depave to present at the HNA General Meeting

Depave has been created to inspire and promote the removal of unnecessary concrete and asphalt from urban areas. Depave is a project of City Repair, a non-profit organization based in Portland. <http://depave.org/blog/about/>
